President's Corner

Here we are at the Holiday Season already. It's time to be thankful. We have many things to be thankful for, especially living at The Tropics! What a beautiful park with lots of activities to keep us healthy and entertained. Most parks have a Club House, but ours is busy all the time.

We should also thank Larry Cornell and his Board for all they got done or approved.

- 1) New path lighting (should be done by now)
- 2) The Palm Trees have been trimmed and looking beautiful
- 3) The wheel curbs have all been installed
- 4) The new Security Company is around and giving out parking tickets
- 5) The new Baffling will start going up on November 1. (Make sure you check for flyers that will tell you what changes are in store while the work is done.) A new coffee maker has been ordered.

If you see Larry or his Board members thank them for their hard work!! Another thing to be Thankful for.

We have a lot of activities going on in November. Breakfast on the fifth, Flea Market and Snack Bar on the twelfth, and the Free Dinner on the nineteenth. We need to discuss tickets for Thanksgiving. We only have space for 250 people. These tickets are FREE for all residents, BUT you must have a ticket. Tickets are available at Breakfast, Snack Bar, General Meeting and Coffee Club. If you have a guest put their name on a list. On Monday, November 14, and Tuesday, November 15, any of the 250 tickets will be available to guests for \$10. Don't wait till the last minute because after November 15 there will be NO tickets available, so don't call. The Board is cooking the Thanksgiving feast. The menu is garden salad, turkey breast, stuffing, sweet potatoes, green bean casserole, and pie.

Enjoy November and Thanksgiving with your family and friends. Stay healthy and remember to be thankful for the opportunity of living in the Tropics. December is also going to be a fun month. Enjoy!!

Don't forget to VOTE on November 8. We are also thankful that we get to vote at the club House on Side A. Dave Hughes is the inspector at our polling place.

MILLENNIUM MEMO

Every so often I like to look at the trend of home sales in our Communities. Strong home values are perhaps the most effective indication of what the “marketplace” thinks of the lifestyle offered by our Park. Admit it: you’re also kind of curious about that, aren’t you?

Here’s what I found:

In the 6 months ending August 31 (the last date for which I have stats), there were a total of 20 home sales in The Tropics. The highest sales price was \$259K. 2 others sold for \$249,900 and 1 for \$250K. In all, 7 homes sold for \$200K+, each sold by a dealer. Older homes went for much less.

- The lowest sale price was \$18,500, which must have been an outlier, as only 2 of the 20 sales were for less than \$105K.
- The average of the 20 sale prices was \$156,890--\$140,333 if you just count the used homes.

Interesting numbers, aren’t they? The intrinsic value of older homes is obviously far less than \$140K. They only sell for that much because they come with the right to live in The Tropics. They’d be worth only a fraction of that amount if they were on a dealer’s lot someplace.

Thank you for your part in making The Tropics such a desirable and welcoming place to live. You have helped make your home more valuable than ever.

More Good News...

Your Rent Dollars at Work: Since they seem to be marginally effective, we added 3 speed signs, at a cost of \$3K each. Next project: resurfacing the Hot Tub, at a projected cost of \$13,733.

- This month’s Resident Kudo goes to Gracia Mangrobang (Sp. 447). Gracia gets up at 4 AM each morning & goes to Krispy Crème to bring donuts to the Park. Can you imagine anything more valuable to Park residents? Thanks so much, Gracia!
- Let’s give a Staff Kudo to Louise, for the great job she does cleaning the Clubhouse. It’s a dirty job but someone has to do it. Perhaps you can thank Louise next time you see her.

Helpful Thanksgiving Tip

- Q. What’s the best way to stuff a Turkey?
A. Feed him lots of pizza & ice cream. Works every time.

Have a Happy Thanksgiving.

George Turk

Manager's Corner for November 2016

Summer is now over and a pool party to celebrate a fun swim season was held on Halloween. Thank you to Chris for her assistance as pool monitor and keeping everyone entertained with her quick wit and videos.

The spa will be closed for repairs and refinishing starting November 7, 2016. It will take approximately two weeks to complete and should be well worth the wait.

Jim Woock, our Maintenance Manager, left at the end of October to join his wife in Oregon. We wish him well on his new venture north and he and Charlene will be missed. They will miss our good weather too -- it rains a lot up there. We will be hiring a new Maintenance Manager and a full maintenance employee - if you know of anyone interested in the positions.

I am looking forward to Thanksgiving and certainly have lots to be thankful for this year. Thank you for helping us make the Tropics, a great place to call home.

Happy Thanksgiving to one and all.

EMERGENCY COMMUNICATIONS

During the year amateur radio operators meet at various locations to share information. These special events are held throughout the world. Safety and assuring our survival is the most important items discussed at these sessions. We all live in a mode of relative comfort believing that when needed, the cell phone is able to bring immediate help. This gives most people the false sense of security that 911 will bring first responders to their door step in ten minutes. That isn't what is happening in the rest of the country. As you know California is the most populated state in the union. When the long anticipated earthquakes happen, chaos, confusion, and the total collapse of our emergency system will be inevitable.

In Union City we have nearly 75 thousand people and only 5 police officers on duty at a time. Conveniences are wonderful to have until they are suddenly not there. Back-up systems are the only way we can be moved to the top of the priority list. The largest modern passenger airliners have back-up systems to immediately take over when normal operating systems fail. There is no time to fix a failed part while traveling 500 miles per hour at 50,000 feet with a plane full of passengers.

Medical science has discovered many years ago that regular preventative health care has great rewards; it gives us a better quality of life.

While monitoring the emergency frequencies, I hear of residents trapped in their homes, hanging on to tree limbs, squeezing into their attics, floating on rushing rivers in cars as flood levels rise above window sills, wandering aimlessly following ravaging tornados and hurricanes.

The west coast has been known to have fewer disasters than other states where extreme weather conditions occur multiple times per year. Our unique pending sleeping giant disasters are fires and earthquakes. Yes we are responsible for ourselves and now is the time to be prepared for the unforeseen emergencies that take so many communities by surprise.

Tina and I have been attending the special events with other amateur radio operators on a consistent basis. The Tropics Mobile Home Park is well known and represented among thousands of emergency stations everywhere. We were privileged to be awarded certificates of achievements for our outstanding participation with the California Rescue Communications.

Stay safe, be prepared and remember "ask not what your community can do for you; ask what you can do to assist your community"

Bravo Ben and Tina

CERAMIC CLUB NEWS

If you are thinking about joining or want to ask some questions or just get a tour of the ceramic room, The ceramics club is generally open everyday from Noon to 2:00 pm with a member or several members working on their projects. Anyone who is interested in our club is welcome to stop by and take a look at some of the ceramics that are finished & some pieces we are still working on. Our club meetings are always held on the first Tuesday of every month at 2:00 pm in the club house conference room. Anyone is welcome to attend a meeting. This is an opportune time to meet the members of the Ceramic's club. The club is offering a free trial membership for 1 month. Anyone who might be interested please contact our President Melody Peterson at 266-2607 and she or a senior member of the club will set you up with supplies and instructions for making your first ceramic piece. Our club will provide all supplies needed for this free trial offer.

The Tropics Residents' Club—General Meeting—September 8, 2016

The meeting was called to order at 7:00 p.m. by President Richard Stoll. All Board members were present except Fran Eikeberg who was excused by a passed motion. The guest speaker, Mr. Mark Evanoff, Deputy City Manager, was introduced. Mr. Evanoff spoke on the Union City Measure QQ, a parcel tax continuing \$4.1 million dollars for vital public services. Police Captain Jared Rinetti was introduced. He thanked the residents for their support and reassured them that police would be available when called.

The minutes from the August 11 General Meeting were read and approved. The Treasurer's report was read and approved. The Bingo financial report was read and approved. Correspondence consisted of e-mails from all five candidates for local office accepting the invitation to speak at our October General Meeting.

Richard gave updates on various projects currently in the Park. A motion to accept the bid from Arbor Well tree trimming passed with a majority yes and 4 no. A motion to accept a brown burlap color for sound baffling passed. The security company has been reporting to the Park office daily. Sensors are in place. The grill has been cleaned. Other projects pending are: floor cleaning, event monitor, food bank and proper recycling.

The Audit Committee consists of Rick Henry, Darlene Cornell and Robert Hisle. October 10 is the deadline for the report. A request for an adding machine was made.

New Business: A committee to look over the by-laws was formed. They are Nikki Bracken-Poe, Barry Lependorf, Juanita Drdla, and Ray Scott. A sign-up sheet was passed around for those who do not want their photo taken or published. It was requested that the office let Editor Tina know when the Breeze arrives. This issue will be discussed at the next Board meeting. A reminder was given that notes and letters to the Residents' Club can be left in the lobby mailbox.

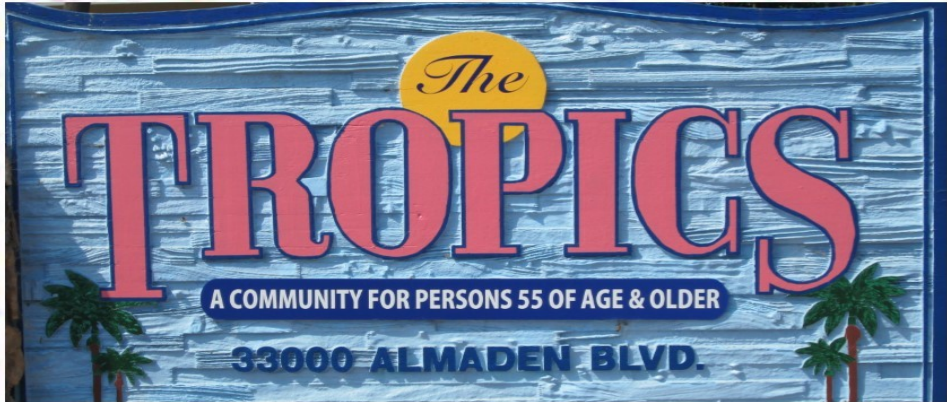

Events: Richard is in charge of the September 7th breakfast. Barry is in charge of the Casino Night on September 24th. There will be a roulette table. Steve is in charge of the Sunday potluck. Jayme is in charge of the Halloween party. Barry reminded us to get forms in for the next Flea Market tables.

Committees: Anita gave the report as City Hall liaison. English classes are going well. Driver safety classes are coming to the B-Bug. Digital speed signs are waiting for their chains to lock them. Afternoon exercise is starting again. A motion was passed to have a pool party when the pool closes on October 31st. \$50 dollars for this was approved. The meeting was adjourned at 8:04 p.m.

Respectfully submitted, Carol O'Quin, Secretary

THANK YOU

- Thanksgiving doesn't just celebrate the pilgrims, but it also gives us time to reflect on what we are thankful for. One of my favorite quotes was by Harold Kushner and he wrote “If you concentrate on finding whatever is good in every situation, you will discover that your life will suddenly be filled with gratitude, a feeling that nurtures the soul.”
- Ben and I would like to wish everyone a Happy Thanksgiving!
