**A MESSAGE FROM OUR TROPICS RESIDENT COUNCIL PRESIDENT:
RICHARD STOLL**

Happy Holidays from the Board!! Are you full of Turkey yet? I'm looking forward to see what meat entrée Denise from PBS Catering will serve us at our Christmas Dinner. Remember it is 2 Days before Christmas. Tickets were available after November 26. The Logan High School Choir will be entertaining us again this year during the meal.

Have you checked out the laundry room lately? Our Great Christmas gift of Miguel and his crew, they did an outstanding job. Miguel is so creative and industrious to make the Tropics a better place to live.

The Board got a great present in the form of Debbie Lependorf stepping up to become our Secretary!! Now we have a full Board. We have some magnificent events coming up, be ready to participate and enjoy them.

Check out the flyer about decorating your home for Christmas. The top 5 will be given cash prizes, with the top one getting \$150. The judging will start on December 19. The winner will be announced at the Christmas dinner.

We can all start the New Year off right by celebrating New Year's Eve with Barbara Garcia. The Board will be serving many different appetizers over the 4 hours before we bring in the New Year. Make sure you get your tickets.

Be safe.

CERAMIC CLUB NEWS

Our club meetings have changed: we will now only have three meetings a year, January, April & September. They are always held on the first Tuesday of every month at 2:00 pm in the club house conference room. Anyone can attend and sit in on our meetings and also meet some active members of the club before or after the meeting. If you are thinking about joining or want to ask some questions or just get a tour of the ceramic room, this is an opportune time. The ceramics club is generally open everyday from Noon to 2:00 pm with a member or several members working on their projects. Anyone who is interested in our club is welcome to stop by and take a look at some of the ceramics that are finished & some are pieces we are still working on.

You can call the following senior member for a view of the ceramic shop and or just to ask questions. Feel free to call Melody Peterson at 266-2607 or if she is not available, we will ask another training member to help you.

MILLENNIUM MEMO

You read my comments last month about high Tropics' home prices and, being a financially savvy sort, you checked your insurance policy. To your horror, you realize your insurance coverage has not kept pace with rising home values. So...do you need more insurance?

Maybe not. When you review your coverage's, don't just have your agent look at sales prices. What matters is your home's replacement cost, which isn't the same thing—something a lot of Santa Rosa residents are about to find out.

When someone buys a home in our fair Park, that person isn't just paying for the home itself. A big part of the sales price is a premium for the right to live in a rent-protected, well-maintained, non-profit-owned Community. That same home in a different park might be worth a lot less—but the cost to replace it would be the same.

You're already a member of the Millennium Family, so that part of your home value doesn't have to be insured against. When you talk to your agent, have him/her focus on your potential loss, not what your home would sell for...and make sure your agent explains the difference between Actual Cash Value and Replacement Cost coverage.

Now the obligatory disclaimer: I'm not an insurance agent and I'm not giving insurance advice, just throwing out food for thought. As you may remember from a past Memo, I'm the guy who once bought a "Fire & Theft" policy—the kind that only pays if my home is robbed while it's on fire. Shows what I know!

SPARC In The Tropics

Stacee—she's with SPARC, our resident services partner—has a couple announcements:

Want to hear about the latest scams? Then come to SPARC's latest Scam Seminar—Dec. 5 from 1-3PM in the Clubhouse. It's been a couple years since our last one, so it's time for a refresher course. Yes, we'll have Holiday Treats & Coffee afterwards.

• The Mobile Health Clinic comes every Wednesday now instead of Tues/Thus. The Health folks are trying to spend time in Sonoma so we only get them once a week. We're grateful for that one day, of course.

The Live 2B Healthy Exercise Class is gaining attendance. Maybe it's time for you to stop by? The Classes take place Monday-Friday. See the Office for details.

Don't Make This Mistake

Last year I asked my wife what she wanted for Christmas. She told me "Nothing would make me happier than diamonds," so I got her nothing. Turns out there's just no pleasing some women. I'll try to do better this time.

Check your insurance coverage, come learn about scams, don't believe anyone who says they want nothing...and Have a Merry Christmas and a Happy New Year!

George Turk

Manager's Corner for December 2017

Seems like yesterday when we wished everyone Merry Christmas or Happy Holidays (whichever you prefer) and now it is here again. Goes by faster and faster all the time.

The annual \$2.00 HCD fee is on the December statement as well as the electric credit for sub-metered resident spaces. The Tri-City Mobile Food Bank will be here on Friday, December 1 and Friday, December 15, 2017. A big Thank You to Kathy and all the volunteers that help make it run so smoothly.

The swimming pool will be heated thru December 31, 2017 and many residents are taking advantage of the warm weather. Also, I want to remind the doggies in our Park to be sure to have their owners pick up after them. They are not doing so good in that department.

Looking forward to the beautiful displays and lights that our residents put up for the holidays.

Merry Christmas to all.

HALLOWEEN PARTY FUN!!

NEIGHBOR OF THE MONTH: DANIEL BUSTINDUY

BY TINA MARIA

In this Christmas addition of The Breeze we are pleased to introduce our Tropics Neighbor Daniel Bustinduy. He has lived in the Tropics Mobile Home Park for ten years. Dan was born in Seattle, Washington in the fifties. During his early life Dan's Father worked for IBM. It was customary to be transferred around. A few of the many places he has lived in are: Seattle, Washington, Birmingham, Michigan, Mill Valley, California, Novato, Ca and currently Union City, California. This has brought him to many places of interest which have been the background to his great wealth of knowledge.

After finishing college young Daniel found himself in the field of aviation where he worked at many different locations; Novato, San Francisco, Oakland and Hayward, Ca.

During his lifetime Daniel has developed many passions. Of course aviation was his first one, then came motorcycles and his most important one is beautiful Linda. The couple met at a Harley Davidson motorcycle club Christmas party. How appropriate is this for this seasons edition.

They fell madly in love, married and are enjoying life together here in our park.

Dan now works as a real property appraiser. He is a top of the field appraiser cop. On weekends they enjoy their hog trike motorcycle touring God's beautiful country and riding with their friends. This is what life is all about after a long weeks work.

The Oakland Hogs are a club made up of bikers who are committed to collecting funds, food, and clothing for charity. Dan is the director and road captain of the Harley Davidson Group, Oakland chapter.

Dan also helps to maintain our transmitting radio station here in the Tropics Mobile Home Park. When you see him, thank him for all his service to our community.

What is Christmas in the Park?

Christmas in the Park is an annual holiday tradition that takes place in the heart of Downtown San Jose at the Plaza de Cesar. For over 30 years, this whimsical event has brought people from all over the Bay Area together during the holidays.

Each year, the two-acre park is transformed into a holiday fantasy with over 60 musical and animated exhibits, glittering lights and the 60-foot Community Giving Tree. Some of the original displays housed in one of the largest exhibits, the Lima Train, include melting snowman, caroling mice and elf woodcrafters. Guests enter a winter wonderland of lights, songs and local entertainment while strolling through an enchanted forest of trees decorated by San Jose Schools, community groups and businesses.
