A MESSAGE FROM OUR RESIDENT CLUB PRESIDENT

By Richard Stoll

February, the month of LOVE!!! We live in a mobile home park that shows lots of love. We are all loving the improvements that have been made. Finally, no dripping water on you head while you enjoy the dining room. Thanks! Miguel and Bob!!!!

We have a lot of new residents coming into the park. Welcome!!!! Some are getting involved in activities that are going on. We have Mena Prathama, that gave us the great slide show of Christmas Dinner and we have word that we have another resident that is interested in taking pictures. We have seen a few new residents attending the events, including Bingo. When the Welcome Wagon, Carolyn Hoppes or Nikki Bracken-Poe, come around to your new home and give you tickets, use them!!!

We have Chinese New Year Celebration on February 17. We have been approached by several residents about recognizing more nationalities. We are seriously discussing this among the board members. We do have Cinco de Mayo on May 5 and we will introduce more next year. Please be patient, we will work on it.

We have a lot of events still to come this year. Get involved, come to the events and participate in the activities going on. Enjoy the variety of food we have to offer. Let's have fun and get to know each other.

Until next month, stay dry and healthy.

CERAMIC CLUB

Our club meetings have changed: we will now only have three meetings a year, January, April & September. They are always held on the first Tuesday of every month at 2:00 pm in the club house conference room. Anyone can attend and sit in on our meetings and also meet some active members of the club before or after the meeting. If you are thinking about joining or want to ask some questions or just get a tour of the ceramic room, this is an opportune time. The ceramics club is generally open everyday from Noon to 2:00 pm with a member or several members working on their projects. Anyone who is interested in our club is welcome to stop by and take a look at some of the ceramics that are finished & some are pieces we are still working on.

You can call the following senior member for a view of the ceramic shop and or just to ask questions. Feel free to call Melody Peterson at 266-2607 or if she is not available, we will ask another training member to help you.

MILLENNIUM MEMO

First off, I owe a BIG thanks to Tina for the very kind article about me in January. I thought my chance to be a magazine centerfold had passed years ago, so I'm grateful for the honor.

My only quibble: operating The Tropics is truly a team effort. Much of the credit for any success we've had goes to Lori, Diana & Stacey here at Millennium Headquarters; our amazing Park Staff: Bessire & Casenhiser; and, of course, the many Park volunteers and Board Members who have served over the years. Thanks again, Tina!

Speaking of SPARC

Do any of you remember Nicki Ross? She's Stacey's boss and is responsible for many of the programs SPARC has brought to The Tropics.

If you've seen her recently, it won't surprise you to learn that Nicki is about to have her first baby! In fact, she's probably had it by the time you're reading this.

Nicki started her Maternity Leave just before Christmas and will likely be out for 4-6 months. In the meantime, I'm happy to announce that Lauren Armona has joined SPARC's staff and will be assisting Stacey during Nicki's absence.

You'll love Lauren. She's a proud USC grad—is there any other kind?—with a degree in Social Science. Lauren has interned at several non-profits with missions similar to SPARC's, so we're confident that Lauren will be a strong addition to the SPARC team.

If you have any ideas for 2018 SPARC programs, please let Stacey or Lauren know. You can reach them at sprice@sparc-ca.org (Stacey) or larmona@sparc-ca.org (Lauren).

By the way, Stacey was pleased with the turnout at the December Scam Seminar. For 2018, she's hoping to add an extra day to the Exercise Program, start some art classes & perhaps another Resource Fair. Stay tuned!

Two Quick Notes

- Congratulations to Jerry Garcia, for winning the Best Christmas Decoration contest. I'm told Jerry "lit up the whole street." Our own Kathy Vincent came in 3rd. She might have won but she doesn't have Jerry's electricity budget.
- If leaves blow onto your lot, they become your leaves, and you are responsible for cleaning them up. Doesn't seem fair, I know, but that's the deal. Please don't cheat by blowing your leaves onto Guest Parking or in the Ivy for others to pick up.

I think I Blew It Again

My wife told me I'd better have something planned for Valentine's Day. With some pride, I assured her: "Of course. I was thinking of taking the Christmas decorations down." Based on the look she gave me, I guess that was the wrong answer.

Please welcome Lauren, wish Nicki & her baby the best...and have a fun Valentine's Day.

George Turk

Manager's Corner for February 2018

My New Year's Resolution was exercise and healthy food choices. So far so good. The Live to Be Healthy program on Mon-Wed-Fri at 1pm has been great. I am looking forward to Tai Chi for Balance on Tues-Thurs at 1pm. Join us for a fun time at getting healthy.

Please be aware that solicitors are never welcome in our Park and a lot of people complained about the SFE gas representatives that recently contacted a lot of you. Do not let anyone in to your home and never sign on the dotted line. Scam – scam – scam. A few of you were lucky and got out of the contract but some were not so lucky. Screen your phone calls and don't open the door to strangers.

Happy Valentine's Day and plan to attend the Chinese New Year celebration on February 17. Year of the Dog.

GETTING TO KNOW YOUR NEIGHBOR

JOSEPH HARRISON

By Barbara Garcia

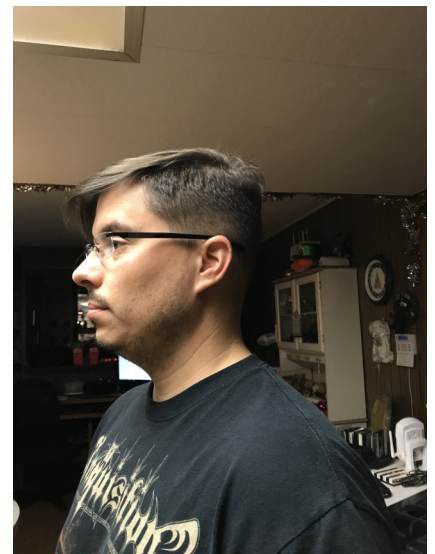

One park resident has been here for a little over 16 years, yet is known by just about no one. His name is Joseph Harrison.

Joseph was born in San Leandro in 1979. He lived in San Lorenzo and Antioch where he graduated from Live Oak High School. He moved back to San Lorenzo where he went to work in a small restaurant.

Fortune changed him forever. He was in an auto mobile accident that almost took his life and prompted a radical change. He became involved in music and co-founded a group called Psyclonnine. While with them, they wrote and produced 3 albums and toured most European countries. They also did several tours of the United States living in a bus on the road for months at a time. He has appeared on numerous magazine covers and engaged in many entrepreneurial pursuits.

Joseph retired from the band and came home to continue his education. He attended Cal State East Bay and earned a degree in European History that focused on religious movements in the Middle Ages. He became fascinated by the heretical groups of the pre-Reformation period, particularly Francis of Assisi's Spiritual Franciscan Brotherhood, and the Waldensians.

After graduating with honors, he went on to earn an MA in Divinity from the University of Chicago. He has worked for Home Depot for 16 years. He loves animals, especially cats. He drives an old school little white Honda Civic

WHAT IS HAPPENING IN THE PARK

BY: Meow Mena = ^ o ^ =

It was such a great evening at the Tropics when more than 400 residents happily enjoyed Christmas Dinner all together. No matter how old or how long we have been living here, the pictures showed how wonderful the party was.

Every corner was perfectly decorated with Christmas Items, including the Pine Tree surrounded by a set of lovely gifts, the snowman and the red balloon which was clearly written "Merry Christmas" on it. Around 6-7 pm, the Chorus Singers cherished our hearts with their sweet voice singing angels songs beautifully. The responsible voluntary servers were busy bringing delicious food and tasty desserts for everyone on our tables right on time, during the Chorus show time.

Looking around the Hall, each face presented smiles from inside of our spirits, there's no need to describe how thankful we feel for those staffs who organized this memorable event for all the Tropics Tenants and our guests to enjoy the atmosphere of Christmas Entertainments. Several hundreds of seniors were gathered to witness the adorable gift which the Clubhouse committees provided for us, it's called "the light of mercy which brightly shines the will to share love and happiness." No doubts that every minute passed with magic of Christmas songs that make strangers become friends on this fine evening.

Not only the well-formed structure of the professional event managements, but also the feelings of harmony which specially sent a warm wish to all of us with a powerful inspiration to face everything through the New Year that comes.

Hopefully, the frames of the Christmas Dinner images attached along with this article will be the souvenirs of joys and peace for all tenants of this village, surely we will remember the scenes of the Tropics Christmas through 2018. And for the Breeze magazine please receive my high appreciations as well.

Best wishes for everyone

OTHER BUSINESS: Anita Roque inquired who is counting the money at the Bingo event. Richard said he and Melody count the money. Anita asked who counts the money at the two Snack Bars, Richard Stoll said whoever is cashier counts the money and he verifies it and the Late Snack Bar he counts the money puts it in back and Rick Casados verifies it. Anita brought up that we should have more diversity among the Board members when it comes to duties at events. Jayme Ojeda brought up that a Audit Committee member is also a volunteer at Bingo and that is a violation of the By-Laws. Jayme asked what the Board was going to do about this. A discussion took place which resulted in the Board agreeing that Darlene Cornell should be invited to the next Board meeting to discuss this matter. Anita Roque asked Richard that a few months ago it was brought up that more dishwashing help should be assigned in the kitchen and that is not happening.
