**March is the month of Luck. How lucky are we to be living in the Tropics Mobile Home Park!!! Let me count a few ways:**

- **Beautiful surroundings, lots of green with tall Palm Trees waving**
- **Activities for all that want to participate**
- **Exercise made for seniors – Spring Chickens, Live 2B Healthy, Tia-Chi (both local and professional), and Yoga classes.**
- **Inexpensive Breakfast each month, March is FREE, more later**
- **An event from the Board of Directors almost each month.**
- **Day Trips or Casino Trips each month.**
- **An outstanding management and maintenance team, Nancy and Miguel**

**We have two openings on the Residents' Club Board – Vice-President and Director at Large, if interested contact any board member or put a note in our mailbox by the kitchen.**

**Now is the time to give our "Wish List" to George Turk for the coming year. Put any suggestions into the Tropics Mail Box by the kitchen. We got most of the ones from last year, especially thanks to Miguel who saved lots of money.**

**What do you think of the new paper dispensers, soap dispensers and sanitizers around the club house. They look nice and can be filled with one master key.**

**I mentioned a FREE breakfast in March, let me give you more information so you will all attend. New residents are sponsoring most of the food. They have invited Nancy O'Malley, current Alameda County District Attorney for a meet and greet. Ernie, Ivy and Maria want to meet all of you also. The only request is that everyone has a name tag so they can call you by your name, so before you can get a plate you have to have a name tag.**

**Read in the Breeze how you can win New Year's Eve Free Space Rent and more. Jerry Garcia came up with the idea and the Board approved the Money. Check out the flyer.**

**Until next month, get involved, there is a lot to do in the Park and volunteering is EASY.**

## MILLENNIUM MEMO

**It's the end of another bond year, the time to close the books and see how we did. What's your guess? Did The Tropics fare better or worse than last year?**

**The short answer: A little better. This year's surplus totaled \$610,202, compared with \$588,689 in the 2016 Bond Year—and that's after spending \$110K more on landscaping, mainly trees, and \$41K more on the Patrol Service. Not a bad year.**

**After prepaying next year's bond fees and various required deposits, we're left with \$445K. That would go a long way toward enhancing your Park, wouldn't it? Alas, no—hence my annual gripe at the City.**

**The City makes us send 50% of all surpluses—\$222,500 in this case—to the Rental Assistance Fund. We'd rather spend that money on making your Park nicer or on more Patrols or trimming more trees—particularly given that the Rent Fund has 300% of the amount needed for the Program.**

**That's OK—let's celebrate another strong year for The Tropics and make do with the \$222.5K the City is allowing the Park to keep.**

### More Good News...

**Nicki had her baby—and it's a Girl! Little 8 lb. 9 oz Hannah is the newest member of the Millennium Family. Well, maybe not so little.**

**This month's Kudos go to Traci Vancil (252 Molokai), Ken Baber (392 Tropicana) & Luapo Poe (232 Jamaica) for helping with the Food Bank and with deliveries to our home-bound residents. Thanks so much Traci, Ken & Luapo.**

**If you'd like to get involved, your talents would be most appreciated!**

**Un-Kudos to the driver who was speeding down Palm Dr., ran over a homesite, damaging rose bushes and a fence, then sped from the scene. Come on, folks. No one is in that much of a hurry.**

**Stacee—she's with SPARC, our resident services partner—wanted me to remind you about the Tai Chi Exercise Class, an 8-week program that started on February 6. You still have time to make the last few classes.**

**With Spring approaching, please take a fresh look at your homesite. Do you have weeds, dead leaves, over-grown bushes...?**

**That last item reminds me of a quote from T. H. Everett, head of the NY Botanical Garden: "A man should never plant a garden larger than his wife can take care of." Congratulations to Nicki, take a look at your homesite, don't believe everything you hear...and have a great Spring!**

*George Turk*

## Manager's Corner

**PLEASE:** It is very important to get Lot Improvement plans approved by the office before doing **ANY** exterior work at home sites or you might have to change it to the original design. Approval is required for trees, patios, fences, ground cover, etc. You must contact the State and/or City as well if you want to make renovations to the rooms inside your home. Draw a plot of your desired changes and when approved, it will be placed in your file.

Just a reminder that weeds are growing like crazy and if we are not proactive, they will get out of control. The landscaping at all homes should be maintained on a regular basis. Maintenance has installed some new solar LED lamps on the south pathways where there were dark areas and at the RV storage areas.

The Food Bank has been well attended and we want to especially thank the volunteers who assist us on Fridays. Remember, the first and third Friday of each month at 10:30 a.m.

Daylight savings begins on March 11th and the leprechauns will be with us on the 17<sup>th</sup>. Watch for them on the pathways bringing good luck to all.

## CERAMIC CLUB

*Our club meetings have changed: we will now only have three meetings a year, January, April & September.* They are always held on the first Tuesday of every month at 2:00 pm in the club house conference room. Anyone can attend and sit in on our meetings and also meet some active members of the club before or after the meeting. If you are thinking about joining or want to ask some questions or just get a tour of the ceramic room, this is an opportune time. The ceramics club is generally open everyday from Noon to 2:00 pm with a member or several members working on their projects. Anyone who is interested in our club is welcome to stop by and take a look at some of the ceramics that are finished & some are pieces we are still working on.

You can call the following senior member for a view of the ceramic shop and or just to ask questions. Feel free to call Melody Peterson at 266-2607 or if she is not available, we will ask another training member to help you.

**1 GALLON VINEGAR  
2 CUPS SPSOM SALTS  
1/4 CUP DISH SOAP**

**I ALWAYS USE DAWN DISH SOAP, THE BLUE ORIGINAL. YOU CAN PUT IT IN YOUR ROUND—UP OR GARDEN SPRAYER. IT WORKED FINE IN MINE. PUT PACKING TAPE OVER THE RECIPE ON THE SPRAYER SO IT DOESN'T GET MESSED UP! IT WILL KILL ANYTHING YOU SPRAY IT ON.**

**I HAVE BEEN USING THIS FORMULA FOR A WEEK NOW, AND I CAN HONESTLY TELL YOU...I WILL NEVER BUY ROUND-UP AGAIN. THIS STUFF WORKS!!**

**JUST MIX AND SPRAY IN THE MORNING, AFTER THE DEW HAS EVAPORATED WALK AWAY. GO BACK AFTER DINNER AND LOOK AT THE WEEKS...DEAD...PERIOD.**

## NOTES FROM YOUR EDITOR:

- Please submit your article **NO** later than 6pm on the 10th of every month to the Breeze email address: [tropicsbreeze@gmail.com](mailto:tropicsbreeze@gmail.com).

- We will be adding new articles and stories in the coming months. Our first new article will be getting to know the people that work behind the scenes. Enjoy getting to know these people that are there to help us enjoy our commu-

Please include your name and phone number so I can notify you when the magazine arrives, you can come with your volunteers and help with inserting the flyer. **THANK YOU**
- We welcome all articles from our residents as space allows. The only requirement is that your article not be political or personal in nature. They will be inserted as space allows with consideration given to content and quality.
