## A MESSAGE FROM OUR PRESIDENT RICHARD STOLL

Thank you all for allowing me to continue as your President of the Residents' Club. You have given the club a great start to a new generation. To help this new Board we are asking you to help us with the Calendar for the 2017-2018 year. The Board has always dictated what the events are for the Residents. This year at a Special General Meeting you get to help us do the Calendar. If you have a favorite or a new idea for an event we welcome you to join us on Thursday, August 17, at 7:00 pm in the Club House. This is your organization so let your voice be heard!

After one year as your President, I have learned a great deal about the Park. We are one of the best parks around and so many other parks are calling to find out how we do it. We are very active and have many activities for Senior Residents (I know we are all still young at heart). Not many mobile home parks have exercise classes, ceramics, computers for all to use, a lunch program, gossip club (Coffee Club), breakfast once a month, snack bar every Wednesday, and a fun event every month, only an Assisted Living Home has more. Speaking of that remember you are responsible for your own property. If there is a plumbing or constructional issue you are responsible, if something affects the park or other residents, then park management will help.

Let's get back to the positive!!!! This Board is willing to put on some fantastic events. You are welcome to come to Board meetings. You may sign up to speak if you have a concern. We will listen and discuss. The most important meeting of the month is the General Meeting on the Second Thursday of the Month.

Hopefully you are all looking at the Web-site, if you don't have a computer go to the B-Bug and Larry will be glad to help you. I try to keep it up to date with what's happening.

Until next month, let's have a great month!!!!

## MORE 4TH OF JULY FUN!!

## MILLENNIUM MEMO

**ALERT!** This month's memo has been taken over by none other than the SPARC Team, your resident service coordinators. I'm Stacey Price, Assistant Director of Resident Services, with a report on who SPARC is, what we've been up to and what we're planning to bring to the residents next.

Who is this SPARC you ask, what does it do and why do you keep hearing this acronym? I'm glad you asked! SPARC, Inc. is Millennium Housing's residential services partner. SPARC stands for Services and Programs Assisting Residents in Our Communities.

We hope you've taken advantage of some of the programs SPARC has brought to your clubhouse, such as the Tri-City Mobile Health Clinic, Food Pantry, Spectrum Lunches, Live2bHealthy Exercise Programs, Informational Seminars and Resource Fairs. SPARC's costs—including my salary!—are funded by grants from Millennium Housing.

I have to say, planning programs for Tropics residents is a real treat thanks to the wonderful cooperation of the Residents Club members and a number of helpful residents. Many of the events SPARC puts on are the results of a brilliant collaboration. As Fall approaches, here are some new ideas we're pursuing:

**Balance and Fall Prevention Classes:** SPARC hopes to partner with various Health providers to bring an 8-week stabilization class to The Tropics. The goal: to strengthen the body and reduce the chances of falling.

**Learning Opportunities:** SPARC is talking to local organizations and colleges to bring a fall series of courses that could range from cooking, art, exercise, self-defense and music. More information will be available in September.

**Continuing the Tri-City Mobile Health Clinic:** Don't forget to sign up in the office for any upcoming appointments you would like to have in the Mobile Health Clinic. They are scheduled to come every Thursday from 9AM-12 Noon in front of the clubhouse!

SPARC is working on several other collaborations with local organizations that I'd love to tell you about, but we aren't quite ready to make any formal announcements yet. Stay Tuned!

Want to find out more about SPARC? The best way to do that is to sign up and take part in an upcoming activity. If you have any recommendations on programs you would like to see, please email me at [sprice@sparc-ca.org](mailto:sprice@sparc-ca.org). We look forward to seeing you next time. Now enjoy the rest of your summer—and turn in your Income Cert!

*Stacey Price*

## HOT AUGUST NIGHTS

### Manager's Corner

Happy 4th year Anniversary to Kathy Vincent. Thank you, Kathy, from management as well as the residents that you happily assist with questions and paperwork. She always adds a sparkle to the day.

Thank you to the residents that have returned the Income Certification forms. If you haven't filled one out expect a call or personal visit. We want to reach 100% again. Also, be sure to sign up for Housing Assistance before the due date. If you need help with the paperwork, we can help you fill it out and mail it from our office.

Residents are enjoying the additional hours at the pool for younger guests. Phase 3 and 4 of Ivy height reduction has been completed. New storm drains have been installed at 29-40 Palm to alleviate the large "puddle" that you must drive thru in the Winter. There are a few yards in our park that really need attention. Please call the office and we can recommend a gardener to assist you.

Congratulations to the new Board.

As always, enjoy your day.

# GETTING TO KNOW YOUR NEIGHBOR: Traci Kinel

**Here's an original local girl. She was born here in Union City.**

**We all know Traci Kinel as a cheerful volunteer who helps out with activities in the Tropics Mobile Home Park.**

**Prior to all activities in the club house this house facilities chair person is busily organizing her group to decorate. This greatly enhances the event and gives the atmosphere just the right touch we all enjoy.**

**Then at the conclusion she removes the decorations restoring everything back to its original condition. Her crew shared how wonderful it is to have this happy lady who carries out her duties with accuracy, love and enthusiasm; she's a joy to work with.**

**We all know Traci for being prompt and ahead of time. It started in her early life when her mother was pregnant. Mom felt the baby wanting to come out. She called the doctor and he said she was one month too early; just lie down and rest. A few minutes later out came Traci. She has been ahead of schedule and under budget ever since!**

**Her 3 children and dog Gidget are the topic to talk about; it brings a smile. Our residents on Waikiki are privileged to have Traci delivering their copy of the Breeze each month.**

**Having a keen vision for the future with our best interest and safety in mind; Traci holds our emergency communications volunteers in high regard.**

**We are blessed with this fine young lady who helps to make our park a more enjoyable place for all of us to live in. Be sure to thank her for her service and offer your assistance. Ask not what your park can do for you; ask what you can do for your park!!**

Guest speaker and Breeze Editor Tina Madsen responded to Breeze issues including correct copies of flyers going in the Breeze and captioning of photos in the Breeze. Guest Helen Cummins proposed changing the curb to a ramp by the sidewalk across from the B-Bug. Management has approved one ramp by the dumpster. The minutes were corrected and approved.
