AT&T is upgrading the current copper lines across the nation (apparently copper will be switched off at some point so they have to upgrade) to fiber optics however the current underground ducting is so impacted they have to lay a new duct line to pull the fiber optics through along Waikiki and Hawaii Circle where they have legal easement rights.

The summary of work to be done on this project is as follows.

- AT&T will start within the next 8 weeks**
- AT&T will notify residents in the affected area 72 hours prior to work**
- New line will be run by boring underground with proper USA call out prior**
- Three to five 4'x4' pits will be dug on either side of the manholes on street to bore through**
- Streets/landscaping or any other area disturbed will be returned to like or better condition after project**
- West Valley or Irish Construction will be the contractor for AT&T and are fully insured/bonded and licensed (I'm asking for certificate of insurance)**
- Project will take 1 to 2 weeks from start to finish**

April Message from our Resident Council President

It's spring time! Did you notice the spring painting Miguel and staff did in the main hall? What a difference. Now that we have beautiful walls we need to protect them. No longer can we use push pins or tape to hang our decorations or flyers. Miguel, Bob, Dale and Louise are doing a lot of sprucing up. Thanks, from grateful residents.

Speaking of being grateful, thanks to Mary Wilson for the large roaster that was used to make that delicious Corned Beef. Hope everyone enjoyed all the fun we had in March.

The Board has many exciting events going on this month. Our Annual Easter Breakfast will be on April 9, with an Easter Egg Hunt. *At our General meeting on April 13, you will be voting on the Bylaws.* I will be appointing people to the nominating committee for next year's Board. Get ready for "Breakfast at Dinner " Chicken and Waffle Dinner. I can't wait to see what Barry does for this one.

The wish list for next year has been turned into Management. We will be looking forward to see what they think of it and what will be approved.

Melody and I are celebrating our second anniversary running Bingo. We will be having a lot of door prizes, \$100 free Bingo game, free food at some of the games. Check the flyer to see what is happening.

Now that the weather is finally cooperating I'm looking forward to seeing the beautiful landscaping the residents are doing. Until next month when we will find out who is running for the Board, take care.

Richard Stoll

TROPICS RESIDENTS' CLUB GENERAL MEETING

Thursday, April 13—7 PM at the Clubhouse
We will be voting on the Bylaw changes

Make your voice heard!!

MILLENNIUM MEMO

The Tropics had another healthy surplus in 2016: \$588,889, net of required reserves. That's up from \$512,910 in 2015 despite spending \$50K more on Landscaping and \$20K more on the Patrol Service. Where does all that money go? Here's where:

Prepay 2017's Bond Fees--\$65,949.

Required deposit to the Capital Improvement Fund--\$32,096, and...wait for it...

City-mandated payment into the Housing Assistance Fund--\$490,644!

Regarding that last item...a few years ago the City advanced \$1,600,000 in Redevelopment money to the Tropics Housing Assistance Fund. For the City, it was either that or give that money back to the State. We agreed to put all surpluses into the Assistance Fund until the \$1.6M was "paid back." After this year's payment, we only have about \$69K left to repay.

The current balance in the Fund is \$1.3M—and growing. We'd love to use some of that money for more capital improvements but our deal with the City doesn't allow it. Oh, well!

SPARC in The Tropics

Considering the big rains, the Bright & Prepared Future Seminar was a success. 40 of you joined Stacey Price (she's with SPARC, our resident services partner) to hear speakers from Live2bHealthy (fall prevention), CRIL (discussing exciting new technologies), Tri-City Health (re: their new programs) & Tri-City Cremation, who prompted us to think outside the box.

Kudos to Richard Stoll for making that fabulous homemade soup, ably assisted by Stacey, of course. Everyone had a great time and got a chance to think about their futures...which brings to mind Yogi Berra's famous line: "Our whole future is ahead of us."

Next up: SPARC's 3rd Annual Spring Fling Clothing Exchange—April 29, from 10AM-12PM

.In Other News...

We're about to spend \$100K to fix a drainage problem along the curve near 37 Palm. Because this will impact future "Wish List" items, we asked the Board for input. They agreed, so this Project will move forward. If only we could use some of that City money for this...that would make quite a splash.

CONTINUED ON NEXT PAGE

As a follow-up to last month's Gas Outage report...despite having 9 people helping, we didn't get all the pilots re-lit until just before 10 PM. The problem: many folks had water heater closets that were very hard to open and/or old heaters that didn't want to get back to work. Perhaps you should check to see how your water heater is faring.

Our pet squirrel was run over last month by a Tropics speeder who must have had a squirrel-like attention span. Really, people? Scaring elderly pedestrians is one thing, but killing a squirrel?

Have a Happy Easter and, of course, a great St. George's Day (April 23).
George Turk

Manager's Corner: April 2017

Our pool will open April 1 and the showers, saunas and exercise areas have been spruced up and painted. New tile in the men's area - even though not planned, looks great. The pool will be monitored on weekends and holidays - thank you Chris. Please review the Swimming Pool Guidelines - new hours for children - 9am to 3pm, Monday thru Saturday. Sundays and holidays remain open for all and residents must accompany their guests. This is also a requirement for any of the common areas in our park.

Be kind to your neighbors and with our good weather give your yards a good spring cleaning. We still get a lot of good comments on our community by visitors looking for a new home but still receiving a lot of complaints as well about weeds and trees encroaching on your neighbor's home site.

There will be an increase in the amount for water effective April 1st that will appear on your May bill. It will be less than the 25% the Alameda County Water District requested and will depend on your usage. I verified with ACWD that water restrictions have been lifted and we can power wash our homes. If any of your utilities are billed out at an unusual charge - too low or too high - please let us know so we can re-read the meters and make any adjustments (if necessary) with the billing company.

We are looking forward to the 3rd Annual Spring Fling on Saturday, April 29th, 9:30 - 11:30 a.m. Donate items Monday, April 24th - Thursday, April 27th. See the flyer for the guidelines and come on down and pick out a new wardrobe on Saturday.

Happy Easter to all - See you at the Pool

GETTING TO KNOW YOUR NEIGHBOR: Christina Van Remoortel

By Tina Maria

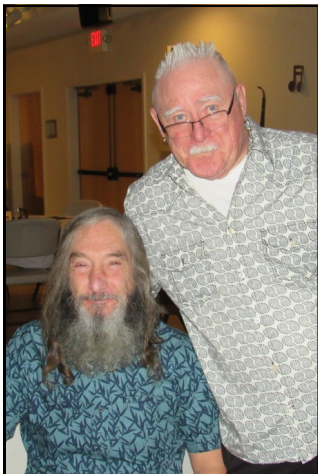

She is well known to all residents who live in The Tropics. Her friendly smile and interesting conversations draw you into a world of captivating experiences.

After earning a degree in humanities this talented lady was quickly hired by the famous Olympic Club in the city, where she worked for 31 years. Having spent a career in San Francisco, Christina Van Remoortel has seen every part many times over. She is infinitely qualified to be a tour guide extraordinaire.

This remarkable lady is an avid sports fan. She has seen all the famous players and can name every member of the teams. With a big grin; her heart is with the "A's", Giants, Warriors and 49'ers; she's a true California Girl! Christina volunteers as a Spectrum and Breeze distributor.

Having come from a family of 9 siblings this self-made lady sought and earned her way to self-fulfilled happiness. Christina's Brother Alan moved here at the same time and was easily recognized by his friendly smile. He left us 11 years ago and still remains in our hearts.

We recognize this stellar resident for her unlimited contribution to brighten our park. This lovely lady is a great example to all and proudly agrees with the theme of our community. "Ask not what your park can do for you; ask what you can do for your park."

Need to get more information on the transportation. Sorry for the delay

SHARING OUR AMTRAK SIERRA SCENIC TRAIN TRIP TO RENO IN MARCH

First of all, there was only seven of us who went on the Train and even though our group was small we had a wonderful time. The group consisted of Nancy, Louise from the office,

Raymond & Gloria Lovato, Cyndie Stroud, Frances and Cathy. Everyone on the Train was really nice and friendly. Louise brought enough snacks to feed the whole train but

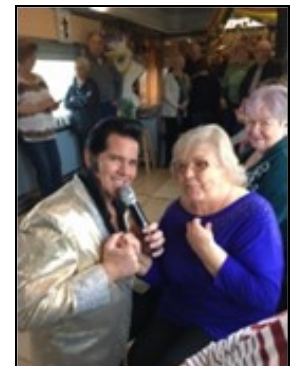

that's Louise. Entertainment on the train going was Marilyn Monroe, Frank Sinatra and Dean

Martin and they did a great job. Not much snow till we hit Truckee which was nice but Reno was definitely cold. Everyone was kind of on their own but we did meet up for

dinner the next night. There was Raymond and his harem (he barely got a word in edgewise, poor

guy!) Then four of us went to the Comedy Factory. The show was a little sarcastic and a little nasty but it was funny. On the way back Marilyn, Frank, Willie and Elvis did their thing (we were on first name basis by this time, just ask Raymond and Cathy). There was dancing, singing and a little drinking but

you would think by the way we were walking on the train that we all had enough.

Breakfast Chair — Richard, with the help of the Board

**Residents' Club Board
February 2, 2017**

The meeting was called to order at 6:58 p.m. by President Richard Stoll. All Board members were present. There were four guests. The minutes of December, 2016 were accepted. The minutes of January, 2017 were accepted with two corrections. Barry read the Treasurer's report which was accepted. Richard read the Bingo report which was approved. Fran read the Traveler's report which was approved as read. Rick Henry and Darlene Cornell from the auditor's committee gave the Auditor's report. He thanked Barry, Richard and Kathy for their cooperation. The next audit is April, 2017. The financial folders were returned to Barry. Three correspondences were read by the Secretary.

Old Business: Barry gave the by-law committee report. Suggestions came from four different people. Barry read the proposed changes. Richard announced that the Super bowl party is not a Residents' Club activity. Steve's motion to spend \$200 for decorations was amended by Carolyn to include only the \$80 already spent. The amended motion passed 8 yes to 1 no. Fran's motion to cancel the Big Band event died due to lack of a second. Richard announced that the new house facilities chairperson is Traci Kinel.

New Business: The Saint Patrick's dinner will have games as well as corned beef and cabbage. Richard's motion to spend \$100 for prizes and \$100 for a raffle at St. Patrick's dinner was adopted unanimously. Richard's motion to have breakfast bingo passed unanimously. Jayme's motion to give \$800 to Spectrum for the Bingo charity was adopted.

Upcoming events: Breakfast, February 11: SPARC Resource Fair, February 18: Big Band Night, February 25.
The meeting was adjourned at 8:18 p.m.

Respectfully Submitted,

Carol O'Quin, Secretary
