# July message from your President Richard Stoll

**OMG!!! July already. This Board is ending at the end of the month. We still have the original board we started with, and what a great Board this has been. We have put on some amazing events. According to the new Millennium budget, it looks like we will be getting all the items on our wish list.**

**Father's Day Breakfast, the last breakfast for this board, went over well even if the steaks were tough. We need to thank Sandra McMillian, Ruth Churchill, Nikki Bracken-Poe and Rick Casades for helping us serve. The Logan High School students had graduation that day. We certainly missed them.**

**This is a very busy month for the Residents! On the 4<sup>th</sup> of July, we have our first Annual Chili cook-off. We will have several entrees. Come by and try each one to help determine who made the best chili. \$300 top prize, not bad. Then we have the 4<sup>th</sup> of July BBQ. Rick Henry, Barry Lependorf and Jerry Aguilar will be manning the grill for the hamburgers and hot dogs. All the condiments will be in the club house along with the drinks.**

**July 13 is Board election at the General Meeting at 7 pm. On the official ballot will be Richard Stoll running for President, Carolyn Hoppes and Jayme Ojeda running for Directors and Tina Maria running for Breeze Editor. All rest of the positions are write ins. You should have seen some of the write-in's posters around the club house and park. It is still not too late if you are interested in running to have people write in your name. Any write-in **MUST** be present to accept the position if voted in. Good Luck to all.**

**On July 22, we will have our Appreciation night dinner. This is the time we recognize all the *volunteers* who help keep this park be the best park around. The menu will be Garlic Chicken, brown rice and vegetables. Make sure you have a ticket.**

**Finally, it has been a great pleasure and honor serving you all this past year. I couldn't have done it without this great active Board members. Thanks to all!!  
See you on the 4<sup>th</sup>**

## MILLENNIUM MEMO

- Q. How many disposable wipes does it take to clean your computer keyboard?**  
**A. qwesdrftgyhujikolpawesdrftgyhujikloaszxcdrfvgtbhnjmk,lazsxdcfvgsed.**

**A resident at one of our Southern California Parks had a major sewer backup recently, costing tens of thousands of dollars to make the home habitable again. Upon inspection, our crew found trash cans' full of paper towels, "disposable" wipes, even some child toys. Gross!**

**We aren't saying it was that resident's fault—other homes shared the line so we aren't sure who caused this—but it illustrates that the ONLY thing you should flush down your toilet—other than the obvious—is toilet paper.**

**Toilet paper is designed to dissolve somewhere between your toilet and the ocean. Every-thing else goes into the waste basket—yes, even wipes. Despite what the package says, there is no such thing as a disposable wipe.**

**Trust me—you don't want to endure what that resident experienced. In fact, you don't even want me to describe it, so please practice Safe Flushing.**

### **You're Not Really Complaining, Are You?**

**Nancy reports that a few residents have actually complained to her about the recent \$22 rent increase. Hard as it is to believe, some folks think rents in The Tropics are too high.**

**That doesn't jibe with what I've been reading about Bay Area housing costs—or with the high home values in The Tropics, where only one home has sold for less than \$100K in the past 6 months and several have gone for \$200K+. Potential home buyers seem to think our rents are a bargain—and they would know the market, wouldn't you think?**

**If you are among the 28% of Tropics residents receiving Housing Assistance, your assistance will be increased to cover this \$22. If you're truly struggling with this \$22 increase, you can apply at the Office to get on the Program. We still have room to add a few folks.**

**Even if you don't qualify for assistance, you can take comfort in the fact that Tropics rents would be 2 or 3 times higher if it hadn't converted to non-profit ownership 17 years ago.**

In Other News...

Kudos to Rick Henry (443 Samoa Circle) for the beautiful flag display in front of the Clubhouse on Memorial Day. Thanks, Rick, for the tribute to our fallen heroes.

- Kudos also to Louise, for the great job she does keeping the Clubhouse & Pool Area so clean. With all the use the Clubhouse gets, this is a big job! Thanks, Louise.
- I was sorry to hear of the May 7 passing of John O'Donnell. John was a past President of the Residents' Club, sold many of you your homes, was a good friend to the Park and will certainly be missed. Please offer your prayers to his lovely wife & daughters.

Some 4<sup>th</sup> of July Trivia

- Q. Where was the Declaration of Independence signed?  
A. On the bottom.

Have a Safe & Sane 4<sup>th</sup>!

# Tropics Residents' Club General Meeting

**Election**

**Day**

**July 13**

**Make your voice heard**

## MANAGER CORNER

Enjoy the 4<sup>th</sup> of July Barbecue. The office will be closed for the holiday. Please remember that fireworks is not allowed in the Tropics – do it somewhere safe and not in our park. Fire danger is extremely high, especially with the warmer weather.

Be sure to attend the Residents' Club meeting on July 13<sup>th</sup> to vote for your favorite candidates to carry on the leadership for the next year. Be involved and come to the meetings to state your choices on various matters that concern all residents.

Financial Assistance information from Millennium Housing was mailed to all residents to reapply and we have extra copies in the office for those that want to apply for the first time. As time permits, either Kathy or I can assist you with any questions you have and help you prepare the forms. The Income Certification forms for 2016 were mailed as well. You can either mail them or return them to the office and we will mail them to Millennium. We had 100% participation last year. Let's do it again.

Reminders to all Residents: Please do not pick the fruit off your neighbor's tree unless you have permission. Also, do not trespass on your neighbor's property – use walk paths only. We have had complaints of residents taking short cuts. The dumpsters by the car wash are for Park use and not your personal trash. We are also finding trash and furniture in the green waste bin that does not belong there. Please use common sense when disposing of unwanted articles. Maintenance is tired of cleaning up after you.

In closing, I would like to thank you all for making my fourth year as Resident Manager very rewarding. Happy 4<sup>th</sup> to all and be safe.

# GETTING TO KNOW YOUR NEIGHBOR

## JOSEPHINE MONTY

By Tina Maria

Here's a neighbor we all would appreciate! Josephine Monty can be easily identified by her beautiful smile. She makes it a pleasure to be living next door.

Born in San Francisco Josephine has always lived in the Bay Area. This has been home for her and three other siblings. Their mother came to the United States as an indentured servant in Hawaii while working for many years to pay off her passage from Spain. In those days they were part of a large group of proud people who came to our country legally and worked for their citizenship.

Having graduated from high school; Mrs. Monty worked at Standard oil. Then Manuel came into her life. They were married in 1947, Once she started having children, Josephine became a full time stay at home mom. Two boys were born and blessed their home. The older son lives in Hayward where he retired from the phone company and John is at home; he helps her with the up keep of the property as well as being good company. John works in the park as a handy man. When we need help he is always anxious to rise to the occasion. There are two grandsons along with five great grandchildren.

While living in the Tropics they have seen many changes. George Turk has made this park one of the most attractive communities to live in for all of us.

Sadly Manuel passed away ten years ago. Josephine used to do a lot of sewing and has embroidered magnificent art work which she proudly displays. Then there are the dolls. Many hours of creativity and imagination go into the dolls as well. The raggedy Ann and Andy along with their entire wardrobes look better than professional quality.

Having lived through many of the earthquake disasters in the Bay Area Mrs. Monty is a staunch supporter of the Emergency Communications we are privilege to have her in our park. She reminds you to be responsible for yourself and prepared.
