January Message

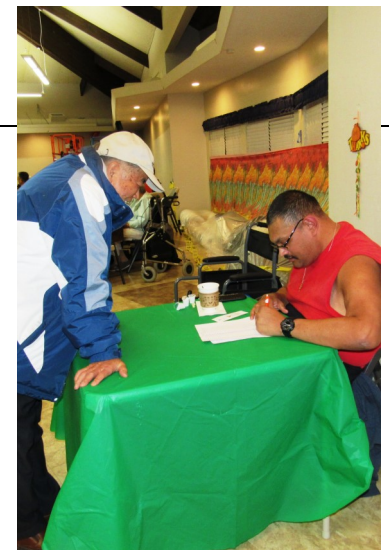

Happy New Year to everyone!! Another year in the books! The current Tropics Residents' Board has a VERY successful half year. We are half way through our first term in office. All our events were a great success, Casino Night, Halloween, Flea Market, Thanksgiving Dinner, Christmas Dinner and New Year's Eve Celebration. We are looking forward for six more events in 2017.

The new baffling in the dining room makes it easier for all to hear. Thanks to all that had to give up their events, Spectrum and Line Dancing. Bingo and snack bar came back strong after a two-week interruption. Yoga, Craft Club, Spring Chickens and Live 2B Healthy had to relocate for their events.

The pool was heated for two extra months that a lot of people took advantage of. The Hot Tub was resurfaced, it was looking a bit grimy. That pesky leak near the fire place has been located and fixed. Thanks Bob and Dale. They are working very hard being one man short. Thanks!!

We have a Bylaw Committee that is looking for suggestions. If you have some concern about the way the Residents' Club performs, now is your time to help correct your concern. We are also taking suggestions for the 2017-2018 wish list to present to Millennium this spring. Drop your suggestions for both in the Residents' Club Mail box in the hall.

Hope you all have a great 2017 and join us to making The Tropics the Best Place to Live. Hope to see all of you at our Chinese New Year Event and Dinner.

MILLENNIUM MEMO

Can you hear me now?

We just wrote a check for \$156,652.91 to pay for sound abatement panels in the Main Hall, a project that should be finished by the time you read this. For that kind of money, I sure hope it's a sound investment!

Some of you told us the Hall was much quieter during the Thanksgiving Dinner. If so, that's great to hear. There were 250 at the Dinner and many of the sound absorption panels hadn't even been installed yet, so unless you were all whispering, this is exciting feedback.

The Main Hall acoustics have been a problem as long as anyone can remember—and for some of you, that's a long time. We've discussed this at every budget meeting we've ever held. If the new panels actually work, we owe a big Tropics Thanks to West Coast Sound Solutions for FINALLY allowing us to be able to hear each other.

Of course, abating the sound for 250 partiers is one thing. The true test will be whether you can hear me the next time I attend a Residents' Club meeting.

Now for the next challenge: the Clubhouse Skylights...

In Other News...

- Stacey Price (she's with SPARC, our resident services partner) may have resurrected the Food Pantry Program. We should know by the end of the month if her diligence was rewarded. If so, thanks to the Tri-City Food Bank for giving us another chance.
-
- I knew Jim Woock would be a tough act to follow but I didn't think it would be this tough. Let's hope we find a great replacement for Jim soon!
-
- More of your Rent Dollars at Work: \$13,733 to re-plaster the Spa, something we seem to do every year, and \$2,145 for a new Pool Filter Pump. That last item became more urgent when we decided to extend the pool hours.
-
- This month's Kudos go to Dale & Bob, who saved the Park thousands of dollars by finding and fixing leaks at the Car Wash & Clubhouse Fireplace Room. Nice work, guys!
-

Speaking of plumbing problems...did you hear that someone broke into the Police Station and stole the toilet? Right now the Police have nothing to go on.

Enjoy the Sounds of Silence in the Clubhouse, maybe we should send Dale & Bob to help the Police with their plumbing...and have a Happy New Year and a great 2017!

MANAGER'S CORNER FOR JANUARY 2017

Welcome 2017. Hoping everyone had a nice holiday season. Your homes were beautifully decorated and it added a nice touch to the neighborhoods. Jerry, as usual, was filled with Christmas spirit and outdid himself with lights. Hope Barbara doesn't faint when the electric bill arrives.

Lots of residents took advantage of the extended time through December for the pool. It is now closed until April 1st; however, the spa and saunas are open year-round. The spa was being renovated at the time I prepared this article but should be back in service early January.

Christmas trees (no flocked trees though) can be cut up and thrown in the dumpster. Please remember to cut up items for the green waste dumpster. Do not throw in large branches, etc.

Looking forward to the Chinese New Year celebration on January 21st. Year of the Rooster.

Wishing you a Healthy, Prosperous and Happy New Year.

GETTING TO KNOW YOUR NEIGHBOR— LYNN MONTOYA

By BravoBen Salsedo

You can easily recognize her when entering the club house. She's the one with the big beaming smile. This special lady makes your visit something to look forward to.

Lynn Montoya was born in Richmond Virginia and comes from an all Navy family. She moved around from place to place. Her father and husband Louis served their country proudly. She met Louie in his uniform at a dance in Long Beach, CA. May 11, 1946 was her wedding day which she recalls with fond memories. They have 3 children together, a girl and 2 boys.

While living in Hayward the Montoya family heard about a new mobile home park that was being built in Union City. It didn't look anything like we now know it. There was a lot of vacant land with a large trucking company all along the East side of Almaden. When entering the park from Alvarado Niles road the trucks would cover your car with a thick dirt spray. Then there wasn't a sound wall which greatly amplified the noise from I-880.

Lynn and Louie had a vision for the future and knew this community would spring into a wonderful place to live. They were the first residents of our park. There have been many improvements since then and she is still happy to call this her home. As new residents continued to arrive there were many fun activities for everyone. Volunteers were happy to pitch in and help with square dancing, preparing delicious meals, sing alongs as well as dropping over for a friendly visit.

The Montoya's loved to dance; it was Louie's favorite activity. Time and health became a factor during the later days and while dancing in the club house he collapsed bringing an end to their long life together. Still today you'll notice Lynn stands just inside the right side of the dining room where her beloved Louie fell and visits quietly with fond memories of the many enjoyable times they shared.

Later came a special friend to brighten her life. If you know Lynn you have heard her talk about Bobby Joe. He was a parrot that brought her many years of happiness during the lonely times. After many years he has left her alone again.

Louie was our first Residents' Club president. As first lady of the Residents' Club she was involved in many of our activities. She served as parking monitor, Lady's club member, pool monitor, greeter and a valuable assistant to the president. With a smile on her face Lynn recalls the fun of working in the kitchen - Bill Pickens would be cracking the eggs and she would be baking the biscuits. Plenty of volunteers working together laughing and talking at the same time.

Please make it a point to say hello to this lovely lady and thank her for all the years of service to The Tropics.
