Have you had an interesting trip. Perhaps you know someone interesting and would like to write a short bio to honor them. Or maybe you have some knowledge you would like to share with others. The Breeze welcomes the submission of articles by Tropics residents to be published as space allows. We do not expect submitters to be accomplished authors, we are not pro's here. We require only that the content of your article not be political or personal in nature.

All submissions must reach the editors by the 11th of the month.

NEW BEGINNINGS

From President Debbie

August was a slow month with the renovations in the dining hall going on. We did have one event that was our Gazebo Area Grand Opening Gala. The official name of the area is "The Playground." Carol Garcia was the winner of the \$25 Gift Card as her entry was picked as the new name. Everyone had fun eating Ben & Jerry's Ice Cream and participating in the Triathlon Games, playing Bocce Ball, Putting on the Golf green and Horseshoes. Some great prizes were won by all the participants.

I want all you residents to put on your thinking caps as the Board will be putting together next year's Wish List. If there is anything you think of to improve the park, I want to hear from you.

As of now, Bingo has officially stopped operating. We have not had any volunteers come forward yet. If you are interested in running Bingo, please contact me.

I am sure everyone is looking forward to the September Breakfast. Vicky and Mona are co-chairs. Please come out and support them and give them a round of applause.

Casino Night is September 28. Bring your luck and your money and have a good time. We have many prizes to give away and Ken is the chair of the event.

We have changed the hours of the Food Bank to 2:00 pm. We are now up to over 75 households with over 130 residents benefitting from this program. I am very happy with the way this program is working and helping our residents. If you haven't signed up yet, get the form from the clubhouse wall, fill out both sides and drop it in the Residents Club mailbox by Wednesday before the distribution.

Hope you all enjoyed the summer, Hello Fall!

See you around the Park,
Debbie

MILLENNIUM MEMO

So the suspense is over. The name chosen by Prince William and Princess Kate for the newly-born future king of England is...George! Hmmm...King George. Kinda has a nice ring to it, doesn't it?

The formal name of the Duke and Duchess of Cambridge's little newborn is George Alexander Louis, Prince of Cambridge. For now, however, he'll just be known as Boy George. With such a majestic name, I'm sure he'll be a great king. Nicely done, Kate!

Were You At the Grand Opening?

Because of publishing deadlines I'm typing this on Aug. 9, one day before the Grand Opening of the (name that was announced at the Grand Opening). While I can't disclose the new name here, I can assure you that you will be disappointed with the choice, perhaps to the point that you'll suggest a better one.

If you did attend, not only did you get a chance to boo the new name, you also got some breaking news regarding your Park. For instance:

- ♦ It's official: we have now signed our agreement with the City. We expect to receive \$1,600,000 in grant funds in January 2014, which will allow us to expedite infrastructure upgrades.
- ♦ We've started the next big Clubhouse project: removal of the Space Ship; installation of what is supposed to be the ultimate cure for excessive Clubhouse heat, i.e. a system of intake pipes around the perimeter of the ceiling, big circulating fans and a large exhaust device.

In addition, we're adding lighting all around the soffit and on the fans and replacing the flooring in the Lounge Area to match the new entryway floor. All this will cost around \$56,000.

- ♦ We've also started the final half of our half of the electrical system. As noted last month, this will cost \$400,000 or so.

Just more examples of Your Rent Dollars at Work!

Our Newest Office Addition...

...is Kathy Vincent. This is a considerable relief to Nancy, who badly needed an Assistant.

Kathy worked for Spectrum Community Services for two years and has been a Tropics resident for 5 years, so she is very familiar with the culture of The Tropics. Quoting Nancy: "Kathy has only been with us a short time and instantly took to her duties with enthusiasm. She is a welcome addition to our staff."

Please give a big welcome to Kathy...and have a fun Labor Day!

Gazebo Grand Opening Celebration

On August 10, 2013, the Tropics had the official Grand Opening Gala and naming of the Gazebo area. After a speech by George and ribbon cutting ceremony by George and Nancy, we had coffee, cookies and Ben & Jerry's Ice Cream for all.

The new name is "The Playground."

Manager's Corner for September 2013

It was quiet last month with no bingo or lunches in the dining hall. The spaceship structure is gone and it seems like the area is a lot bigger. We are looking forward to it being lots cooler in there as well on completion. The dedication of the new "Tropics Play Ground" was held on August 10 and it was fun to cut the ribbon with George and Debbie. The sun came out just in time and the ice cream was delicious. Thank you Residents' Club for hosting.

Please make out your rent checks for the exact amount billed and be sure your current address is on your check. Too many of our residents are using checks from their old address and it slows down the process of ensuring your rent is paid and not someone else's. You put Kathy to the test this month and she passed with flying colors. She figured out where you lived even though lots of names are the same.

Hoping your summer has been great – I missed out on a lot of swimming due to health issues, but looking forward to using the pool soon before the end of the season. The new fence behind the pool looks great and brightened up the area. Louise reports that many residents enjoyed the pool this year and we even managed to keep it warmer (well, most of the time anyway). The Bar-B-Q grills at pool side are available to residents on a first-come, first-serve basis. Groups are limited to no more than 10 per grill and the use of Bar-B-Q area to host swim parties is not permitted.

Thank you for doing your part in making the Tropics a great place to live.

Nancy Payne

Tips for a Healthy Brain—By Tina Maria

Eat colorfully. Richly colored foods provide powerful antioxidants. Think: sweet potato orange, broccoli green, blueberry blue. Focus on nourishing your brain by choosing a healthy diet.

Sleep. When we lose sleep, don't get enough sleep, or don't sleep at regular times, hormones become imbalanced and our brains don't work as well. Poor sleep or sleep loss leads to fatigue, immune suppression, and memory, concentration. Sleep debt makes us inefficient, more easily agitated, tired, crabby and stressed because we're not at our best. Try to go to bed and wake up at the same time every day. Get at least seven to eight hours of sleep a night.

Move and do. Don't be a couch potato—or a computer potato. Exercise is a natural antioxidant, anti-inflammatory, and stress buster. It will help you sleep better and lower your cholesterol and blood sugar. Regular exercise improves the blood supply to the brain, reduces depression, and it puts a spring in your step.

Use your head. Challenge your brain. Many studies have shown that using your head—whether by reading, doing crossword puzzles, enjoying games. Participating in these can cause synapse growth, which allows nerves in the brain to communicate with each other more efficiently.

Stay socially connected. Cultivate friends and relationships. Get involved in activities with friends, family, and community groups. Leisure activities can have an effect on the health of our hearts and brains, and socializing may protect your brain.

Pursue new experiences. Stop getting in your own way. Stop yourself from thinking of reasons why you shouldn't or can't do things. Try things you don't already do.

Let go of things that are out of your control and maintain a positive attitude. While you're at it, work at maintaining a pleasant facial expression as well. As the old saying goes, "If you see someone without a smile, give him one of yours." Even if you don't receive a smile in return, assure yourself that you've just given someone a special gift of human-to-human contact that might have made their whole day.
