APPRECIATION DINNER

THE PRESIDENT'S LETTER TO YOU

been work-
events for

you can find it on the web-site (the-tropics.net). You won't find it in this Breeze, because of the publication date.

We had our first successful Breakfast. Most of the new board had their first event to do. It is always a lot of work, but well worth it to see the smiles on your faces. This month's Breakfast theme is "Back to School". Bring in one of your school pictures and get a FREE breakfast. This should be fun to see how we looked in our younger days.

Our first dinner event is Casino Night. No chairperson was appointed. This will be the first dinner event for the new board. Each will take on a different aspect of putting on an event. The Board voted to add a lot more money for prizes. WOW!

The Palm trees and some of the other trees are looking good. Arborwell did an excellent job giving them a haircut. We also have a new Janitorial service helping keep the club house clean. Louise is still keeping the place clean.

Tropics Travelers are doing day trips every other month. They are still doing bus trips to the casinos, Jackson Ranchera this month. A small group of residents took a Bart and a ferry ride to Sausalito in August, lots of fun! In October, they are taking Bart to San Francisco's Fisherman's Wharf Fest. A trip to the *Christmas in the Park* in San Jose is scheduled for December 11.

Jayme and the Board are now getting ready for a SPOOKY Halloween Party.

Can't wait to see what he does this year.

Until next month, help us make the Tropics the best place to live and LIVE!

MILLENNIUM MEMO

Before you flood me with emails, let me loudly state that Millennium is NOT responsible for the insert in last month's Breeze. Bessire & Casenhiser, The Tropics' Management Company, came up with that flyer. I guess they really don't like AB 1269!

Don't worry--after my recent chat with them, it will never happen again—right, B & C? As mentioned in last month's Notes from the Editor, political inserts aren't allowed, so we're very sorry this happened.

In case you're interested...AB 1269 would give the State the power to investigate and negotiate disputes between residents & management and perhaps (it's not clear yet) impose fines. It also would assess a \$5 annual charge per space, which could be passed on to residents. The bill is sponsored by GSMOL.

GSMOL would say that this creates a new tool for residents to pursue their complaints. Opponents argue that this is an unnecessary State overreach and that the \$5 fee will only get larger over time. As I noted, Millennium did not authorize that flyer and is not taking a position on this bill. I just wanted you to know that It Wasn't Us!

In More Relevant News...

By the time you read this, we should have completed the \$100K drainage repair on Palm Dr. For that cost, we better not see any more flooding! We also spent considerable money cutting ivy & trimming the Palm Trees. Don't the trees look great?

• Some upcoming projects: yet more pathway lighting, this time near Hawaii/Oahu; \$8,500 to fix the Clubhouse Skylights; new Dog Waste Stations (\$1,700); and new Cyclone Fencing along the creek (\$7,000). Your Rent Dollars at Work!

We're off to a pretty good start with the Annual Income Certs: 387 of you have returned your Certs at last count. If you're one of the 157 tardy ones, please get your Cert in as soon as you can. You're going to have to do it eventually...

• The Food Bank continues to do well. 35-40 folks are regularly served, helped by our great volunteers. Kathy delivers food to an additional 12-14 folks who can't make it in person. This program is available on the 1st & 3rd Fridays of each month. Thanks to SPARC, our resident services partner, for bringing this great resource to The Tropics.

By the way... if your fruit trees are producing more than you need, perhaps you might donate your excess by bringing it to the Clubhouse to share with others?

Speaking of Kathy...not only does she deliver food, but she has also become the foster parent to 3 baby squirrels who apparently were separated from their parents during the Ivy Project. She even gets up at night for their feedings. I guess we should award Kathy a Kudo for that?

Sorry about the insert, turn in your Income Cert, check out the Food Bank...and have a great Labor Day!

George Turk

September 2017

Congratulations to the new Residents' Club Officers and Board of Directors. Looking forward to working with you in the months ahead on wish list items that were approved and miscellaneous projects.

A big thank-you to all Residents for turning in the Income Certification forms. Kathy worked diligently (and sometimes forcibly) and by August 4 deadline we had 100%. This will be a big savings to cover future projects here in our community. Thank you one and all - Way to Go.

Arborwell has started the Palm tree trimming as well as trimming some of the common area trees. The first wave of Palm removals has begun and residents have been and will be notified when that is scheduled so cars and outdoor items can be moved for safety reasons. They are doing a fantastic job.

The annual rent increase will begin with your September statements and Republic Services increased the trash \$1.00 to \$36.91. Please update your banking information with these changes if you pay automatically on the Resident Portal.

We have had requests to remind Residents that they should not cut through neighbor's yards when they are out walking as it is not appreciated. Also, please do not help yourself to fruit from their trees. We should know that and not have to be reminded. If you are going to be absent from your home site for long periods of time you need to make arrangements to have someone maintain your yard.

Please be considerate of your neighbors.

As always, enjoy your day.

**OUR CLUB MEETINGS HAVE
CHANGED: WE WILL NOW ONLY
HAVE THREE MEETINGS A YEAR:**

JANUARY, APRIL AND SEPTEMBER.

They are always held on the first Tuesday of the month at 2:00 pm in the club house conference room. Anyone can attend and sit in on our meetings and also meet some active members of the club before or after the meeting. If you are thinking about joining or want to ask some questions or just get a tour of the ceramic room, this is an opportune time. The ceramics club is generally open everyday from Noon to 2:00 pm with a member or several members working on their projects. Anyone who is interested in our club is welcome to stop by and take a look at some of the ceramics that are finished & some are pieces we are still working on. You can call the following senior member for a view of the ceramic shop and or just to ask questions. Feel free to call Melody Peterson at 266-2607 or if she is not available, we will ask another training member to help you.

NEIGHBOR OF THE MONTH:

JACKIE HILL

Here's a lady we all have enjoyed knowing here in the Tropics.

Among a community there's always some who are easily recognized with their outstanding contribution to our park. We're all privileged to have this long time resident who brightens a room when she enters. Born in Oklahoma and then moving to California at the age of ten, Jackie grew up here in the Bay Area. She has seen the many changes which have evolved into one of the most metropolitan regions of our country.

Jackie met her lifetime companion Frank whom she married sixty nine years ago. They shared a bond of happiness until his passing recently.

They have 5 girls and one boy all born here in the Bay Area. Jackie proudly talks about the nine grandchildren and 3 great; they're all special to her.

Traveling is her favorite past time; six times to Hawaii and 4 times to England where their daughter lives. Recently the many bus trips to casinos have been on her agenda.

You have seen her at the Spectrum lunches, and the Coffee club where she expresses her opinion and defends it very well. Jackie enjoys going to the different events at the clubhouse. She says, "The Tropics has a good group of people and enjoys living here."

Having lived for a lifetime here in the Bay Area Jackie remembers the many devastating earthquakes as well as floods. She feels safe to have an exclusive Emergency Communications station here in our park; they are looking out for us every day.

Thank you Jackie for your great contribution to our park!

A Little Squirrel Story:

By: Carol Orwig

Our Tropics community is frequented daily by small creatures of nature, including squirrels. My neighbors and I love to feed the many birds and leave peanuts out for the squirrels. I have one that has become so friendly that I can almost hand feed it. But, I never got as close to one as my neighbor Kathy.

Kathy, as you know, works in the office and the other day I saw several people coming up to her and looking closely at her chest. She seemed to have no qualms about bending forward and exposing her cleavage. I was shocked to say the least until someone said, "Carol, you need to see what Kathy is holding between her breasts. It's so cute and tiny." Okay, my curiosity got the best of me so I had to take a peek.

There was this tiny, bald, newly born squirrel cradled in some Kleenex tucked into Kathy's cleavage to keep warm. The mobile home park was having all their palm trees trimmed and Kathy had told the workers to let her know if they discovered any injured or baby animals and she would take care of them. Apparently, she has done this before. She cares for and nurtures animals in need discovered around her home. She has saved other baby squirrels by keeping them warm in her breasts while working and then when she gets home, she feeds them a special formula and keeps them in a prepared aquarium with a controlled heating pad underneath. Once they are healed or big enough to survive on their own, she releases them.

I've known Kathy for a long time, but never knew this about her. She doesn't make a big deal about it, just quietly does these things out of a love of nature and a big heart. Reminds me of how the Lord cares for us and nurtures us, even the smallest and neediest. He has an endless capacity to love all His creations, help us through the tough times, then give us the strength and courage to move on and fulfill our destiny.

Residents' Club Board Meeting

July 6, 2017

The meeting was called to order at 7:00 p.m. by President Richard Stoll. All Board members were present. There were eleven guests. Guest speaker Anita Roque reported that the Food Bank is funded every two years. Guest speaker Larry Cornell said the Mystery Dinner "Was the best event he's seen in 16 years". He opined that the hired security is not really working. Guest speaker Forencio was told the trees on his property were his responsibility. Two separate minutes were read and accepted with three corrections. The Treasurer's report, Bingo report, and Tropics Travelers' report were all read and accepted. The Secretary read two correspondences. Richard read a correspondence from Karen Schrum. This last correspondence dealt with the following: an electrician to fix the coffeemaker, lighting strips on the pathways, cleaning the creek, the arrest and eviction of a felon living in the Park, and lights on the pathway from Hawaii to Palm, and a new banner for Bingo.

Old Business: Larry reported that five residents have picked up absentee ballots. The Mystery Dinner, chili cook-off, and 4th of July BBQ were all a great success. Thanks and appreciation was given to all who worked on all three events. Richard's motion for up to \$300 for the upcoming Appreciation Dinner was passed. The new tee shirts are now available for the Board and for prizes.

New Business: The orientation meeting with the new Board will be July 20th. Only officers from the current Board need attend. Richard's motion to give \$1000 to the Tri-City Health Van passed. Manager Nancy Paine reported that Evenflo Company will work on drainage between 29 and 44 Palm Drive for ten days starting July 17th. She will communicate with AT&T as to when they will start work.

Upcoming Events: Board election – July 13, Orientation Meeting – July 20, Appreciation Dinner – July 22nd. The August Breakfast will be back to basics. The meeting was adjourned at 7:43 p.m.

Respectfully Submitted,

Carol O'Quin, Secretary
